

Building An Information Sharing Framework

February 28, 2014

Max Cacas
Federal News Radio

When minutes count, timely information sharing could be the difference in stopping terrorists and saving lives. This week on "AFCEA Answers", we'll talk to Kshemendra Paul, Program Manager for the Information Sharing Environment in the Office of the Director of National Intelligence. His office spearheads an effort to make possible information sharing between Federal, state and local law enforcement. Its part of a trend toward rapid and secure sharing of critical data when time is of the essence.
